FINANCIAL.

## A Sa'e Principal and a Good Income

The stock of the GEORGE A. TREADWELL MINING COMPANY is an investment combining these two desirable features in an exceptionally safe and reliable company founded on property of proved value. The stock will increase in value as the development shows greater and greater values in the property, and as the facilities for turning these values into money are increased. It will yield a good income because on every ton of ore worked there are millions of tons to work—there is a clear profit of 20%.

It will pay dividends.

The management of the Company is careful, conservative and enterprising, and has commended itself to the many experienced and successful investors who have bought the stock and believe it to be the best investment they ever made.

To meet the needs of a greatly increased business and enlarged sphere of operations the stock has recently been increased from three hundred thousand shares to three hundred fifty thousand shares of the par value of \$10 a share, and the new stock is offered for subscription at par, \$10 a share, payable one-half cash and the balance in many instances considerable.

No investor can afford to leave TREADWELL off his list of investments.

Make checks payable to the order of THE GEORGE A. TREADWELL MINING COMPANY and forward to:

MYRON J. MARTIN, Secretary,

27 William Street, New York.
